Do you follow Jesus ‘on the way’?

Can we trust the Gospels? Do we really know who wrote them? Do the Gospels communicate truth – or fabricated fables? Who is Jesus? Who did Jesus claim to be? Join Dr. Brant Pitre as he draws evidence from both early Christian and non-Christian writings attesting to the authenticity, authorship, and dating of the Gospels, and as he gives an in-depth look at the Gospel accounts of Jesus’s Crucifixion, Resurrection, and the proclamation of Christ’s divinity. This dynamic video program and accompanying workbook combining in depth Biblical Study with insightful questions, an explanation of and response to common skeptical claims regarding the Gospels and Jesus’ Divinity, and personal reflections that will strengthen your faith so that you can not only stand firm and profess that Jesus truly is “the Christ, the Son of the living God,” but also confidently respond to any skeptics you may encounter.
